

**Report of the Ad Hoc HF Band Planning Committee
ARRL Board of Directors
January 2014**

Triennial IARU Region 2 HF Band Plan review now complete

The September 2013 General Assembly of IARU Region II occurred in Cancun. The ARRL, RAC (Canada) and LABRE (Brazil) input to the now-regularized Triennial Review process of the Region HF bandplan was considered. The updated bandplan is located at <http://www.iaru-r2.org/new-iaru-region-2-band-plan/>

With completion of the review process this committee's inbox is currently empty. The new committee will, of course, be ready to take up any assignments.

Respectfully submitted,
Bruce Frahm KØBJ chair
