## Our Cover

The holiday cheer on this month's cover is courtesy of Ted Holland, WB3AVD, who says, "I've spent the last dozen years doing little more than building strange, exotic telegraph keys." In that time, Ted has designed and built more than 100 unusual keys, most of which he has used on the air. The snowman and Santa pictured here are vertical semiautomatic keys, also known as "bugs." Warm wishes for a healthy, safe, and happy holiday season, from all of us at QST and ARRL! [Chris Zajac, photo]
